Attached are the coordinated Fish Agency edits to the Governance sections of the BDCP Conservation Strategy. These are for discussion at the Feb 17 IMT meeting, I didn't include the Bureau other than Federico, since Maria indicated she had forwarded during the meeting.

Included is a summary of major changes, an clean and track change version of Chapter 7 and edits to relative sections of Chapt 3.6 and Chapter 6. Included are two versions of Figure 7.1, Governance Flow Chart.

Please send any edits to me by noon on Thursday the 16 and I will compile for discussion on Friday. Carl
